Sorting info symbol must be placed on a separate page at the last page of carelabel.

Colors should follow care label instructions.

The «info-tri» sorting information label\_ Recommended symbols

# Recommended symbols

## \_ Principle

A simple symbol that requires no translation, that is legible when small-sized so that it can be displayed on the textile label showing the fabric composition and used horizontally or vertically.

## \_ Composition

- The **Triman symbol** is placed first
- A pictogram symbolising one **product category**:
  - > clothing (t-shirt)
  - > household linen (folded towel)
  - > footwear (tied derby shoes)
- It is possible to display just one product category or all three together.
- The **self-deposit bank** symbolised by the pictogram of a container
- The **URL** link to the Ademe's website
- The **letters FR** to specify that this measure is governed by French regulations.

# to be followed

## \_ Typography

The typography used is Poppins:

|                          |                                                         |
|--------------------------|---------------------------------------------------------|
| <b>Poppins Light</b>     | abcdefghijklmnopqrstuvwxy<br>ABCDEFGHIJKLMNopqrstuvwxyz |
| <b>Poppins Medium</b>    | abcdefghijklmnopqrstuvwxy<br>ABCDEFGHIJKLMNopqrstuvwxyz |
| <b>Poppins Semi-Bold</b> | abcdefghijklmnopqrstuvwxy<br>ABCDEFGHIJKLMNopqrstuvwxyz |

- 1 **Phrase explaining sorting and donating:** Poppins Light
- 2 **FR reference:** Poppins Semi Bold
- 3 **URL:** Poppins Medium
- 4 **«where»:** Poppins Semi Bold
- 5 **Word describing the self-deposit point:** Poppind Light, in capital letters
