'Sorting-info symbol' label info

The «info-tri» sorting information label_Recommended symbols

Recommended symbols

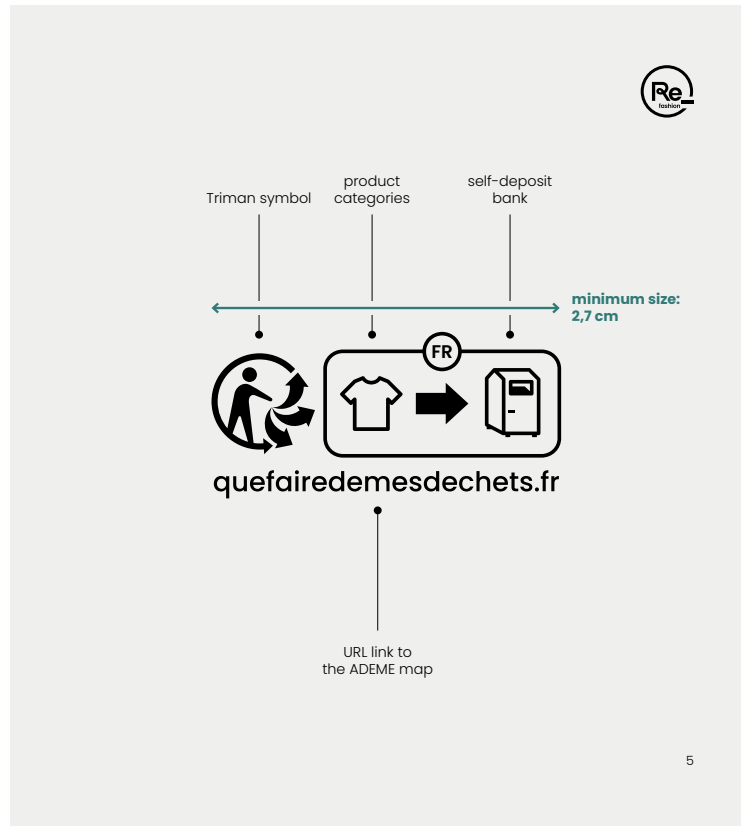

_Principle

A simple symbol that requires no translation, that is legible when small-sized so that it can be displayed on the textile label showing the fabric composition and used horizontally or vertically.

_Composition

- The **Triman symbol** is placed first
- A pictogram symbolising one **product category**:
 - > clothing (t-shirt)
 - > household linen (folded towel)
 - > footwear (tied derby shoes)

It is possible to display just one product category or all three together.
- The **self-deposit bank** symbolised by the pictogram of a container
- The **URL** link to the Ademe's website
- The **letters FR** to specify that this measure is governed by French regulations.
