Caring for your LINDBERGH shirt

Even a shirt made with the finest care and fabrics, must be washed in the correct way to stay as exquisite as when first purchased. Therefore, we would like to share our expertise on how to take care of it:

- Unbutton the shirt and follow the care instructions.
- Always wash dark colours separately.
- Do not overload the washing machine.
- Set the machine to a slow spin.
- Once the washing cycle has finished, hang the shirt on a hanger and stretch the collar, cuffs and front plackets gently.
- Do not wring the shirt.
- We recommend not to tumble dry your shirt.
- A light iron may be desirable for that extra finishing touch.
