Micro-Pak Product Overview

Micro-Pak products are designed to protect your products from mold and mildew for extended periods during transportation from the factory to the retail store.

Moisture Control Products		
Micro-Pak Dri Clay®	Micro-Pak Dri Clay® is a 100% natural, effective and economical desiccant that adsorbs moisture from within the product packaging, protecting products from all forms of moisture damage. Dri Clay is safer (no risk of leakage or corrosion) and performs better than calcium chloride and silica gel desiccants. E-brochure: https://www.micropakltd.com/products-family/micro-pak-dri-clay Video: https://vimeo.com/user100063504/driclay	<p>66g 33g 17g 6g 2g</p>

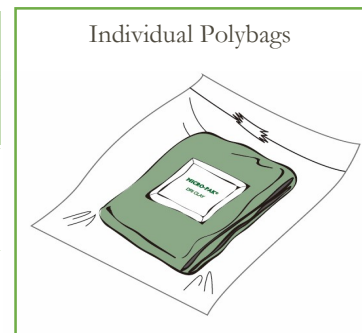

How to Use Micro-Pak Dri Clay® Kraft

Dri Clay® is available in 5 sizes (2g, 6g, 17g, 33g, 66g) and can be used with individual or bulk packed items. The dosage of Dri Clay® depends on the size of the packaging (polybag, box, carton) as outlined below.

Packing Manner	Desiccant Usage
Items packed in individual polybags	Put Dri Clay inside each polybag
Bulk packed items in master polybag/carton	Put Dri Clay in the master polybag/carton

GENERAL DOSAGE RECOMMENDATIONS

Package Volume		Minimum Weight of Dri Clay Needed (g)	Suggested Usage
(CU Inches)	(CU Meters)		
Up to 200	Up to 0.003	2	2g (1 piece)
Up to 400	Up to 0.007	4	2g (2 pieces)
Up to 1000	Up to 0.016	6	6g (1 piece)
Up to 2000	Up to 0.033	12	6g (2 pieces)
Up to 3500	Up to 0.057	17	17g (1 piece)
Up to 5500	Up to 0.090	30	17g (2 pieces) or 33g (1 piece)
Up to 8000	Up to 0.131	45	17g (3 pieces)
Up to 12000	Up to 0.197	65	66g (1 piece) or 33g (2 pieces)
Up to 24000	Up to 0.393	130	66g (2 pieces) or 33g (4 pieces)
Up to 36000	Up to 0.590	195	66g (3 pieces) or 33g (6 pieces)
Up to 48000	Up to 0.787	330	66g (5 pieces) or 33g (10 pieces)

Remarks: You can put different sizes of Dri Clay® bags into the packaging as long as the total weight of Dri Clay® is not less than the minimum amount. Additional Dri Clay® bags may be required depending on the sensitivity of the product to moisture damage, the season, and the severity of weather conditions. Please contact Micro-Pak at info@micropakltd.com for special instructions.
